OBJECTIVE

Interested in working with your prestigious organization by utilizing my expertise in managing community-based projects, building strong partnerships, and driving initiatives to foster sustainable development.

PROFESSIONAL EXPERIENCE

05/2023
Pune, India

Outreach Coordinator

Lighthouse Communities Foundation ☑

Udaan Project, Global Opportunity Youth Network.

- Mobilized youth from slum communities for course enrollment in the Udaan program, building strong relationships with local stakeholders such as Asha workers, Anganwadi workers, local NGOs, SHG groups, and PMC & PCMC corporators.
- Ensured the enrollment of youth and interested adults into vocational training programs.
- Supported logistics for batch formation at partner vocational training institutions under the Global Opportunity Youth Network (GOYN) Udaan program.
- Conducted screening processes for students before starting training batches.
- Documented and maintained records of enrollment information.
- Facilitated the smooth transition of enrolled youth to career counselors and training institutions & acted as a role model, explaining the program's benefits to youth, parents, and community decision-makers.
- Compiled monthly reports and success stories to showcase student achievements and program impact.
- Collaborated with various NGOs, skill development institutes, and colleges.
